

Pediatric Shared Decision Making Questionnaire - PARENT (PSDM-Q-PARENT)

In responding to the statements below, please think about a situation where you spoke with your child's nurse in making a nursing care decision about your child's care. One example could be a discussion about options of times for visitors to visit.

Describe the situation in which you spoke with your child's nurse about making a nursing care decision about your child's care:

Describe the decision that was made:

Nine statements related to the decision-making in the above-mentioned situation are listed below. For each statement please indicate how much you agree or disagree.

1. My nurse made clear that a nursing care decision needs to be made.

completely disagree strongly disagree somewhat disagree somewhat agree strongly agree completely agree

2. My nurse wanted to know how I want to be involved in making the nursing care decision.

completely disagree strongly disagree somewhat disagree somewhat agree strongly agree completely agree

3. My nurse told me that there are different nursing care options for caring for my child.

completely disagree strongly disagree somewhat disagree somewhat agree strongly agree completely agree

4. My nurse explained the advantages and disadvantages of the nursing care options for my child.

completely disagree strongly disagree somewhat disagree somewhat agree strongly agree completely agree

5. My nurse helped me understand all the information.

completely disagree strongly disagree somewhat disagree somewhat agree strongly agree completely agree
